Dear [redacted]

**Re: Freedom of Information Request
Infrastructure Ontario Legal File: FOI-2023-32**

Infrastructure Ontario (“IO”) received your request under the Freedom of Information and Protection of Privacy Act (“FIPPA”) on June 13, 2023. Your request seeks access to:

FOI-2023-32 – assessment report for Ontario Place Call for Development process

The report(s) of the Independent third party (e.g.: the Fairness Monitor) appointed to assess the fairness of the selection of the successful participants from IO’s Ontario Place Call for Development process.

Time frame: January 18, 2019 to May 29, 2023

FINAL ACCESS DECISION

After conducting a thorough and meaningful records search, IO identified zero (0) record/s responsive to your request.

Please be advised that as the Call for Development process was not a formal procurement, no Fairness Monitor report was produced. The process was facilitated by outside third parties which were not specifically retained to assess fairness or to produce a report.
